# **Welcome to Veterans Affairs**

## 1. Minister's Authority

Canada's development as an independent country with a unique identity stems partly from its achievements in times of war and conflict. Veterans Affairs Canada (VAC) exists to assist and help those whose courageous efforts gave us this legacy and contributed to our growth as a nation. The *Department of Veterans Affairs Act* provides authority to the Minister of Veterans Affairs to administer Acts of Parliament and orders in council as are not by law assigned to any other federal department or any Minister for the care, treatment and re-establishment in civil life of Veterans and the care of their dependents and survivors, and such other matters as the Governor in Council may assign.

#### 2. Mission

VAC aims to provide exemplary, client-centred services and benefits that respond to the needs of Veterans, our other clients and their families, in recognition of their services to Canada; and to keep the memory of their achievements and sacrifices alive for all Canadians.

#### 3. Who is a Veteran?

Veterans Affairs Canada considers any former member of the Canadian Armed Forces who releases with an honourable discharge and who successfully underwent basic training to be a Veteran. This Veteran status recognizes the risk CAF members assume by wearing the uniform and pledging allegiance. Canada's modern-day Veterans are carrying on the traditions, values and legacy of wartime Veterans and all Canadians, especially our youth, should be aware of their accomplishments and sacrifices.

# 4. Veterans Affairs Canada - Core Responsibilities:
